Summary

My name is **Hamza** im 20 years old.

In 2020, I began my career as a Linux administrator, which ignited my passion for DevOps and Web development. Now, as a full-stack developer with over two years of experience, I specialize in creating user-friendly websites and web applications using modern technologies.

Experience

GreyWeb Remote https://greyweb.cloud <ul style="list-style-type: none">Redesigned client's dashboard with ReactJS and Laravel.Imported pterodactyl.io APIs to the backend using Laravel and filament.Contribute to the frontend dashboard with VueJS.	2024 / April - Present Russia, Moscow
